Dear Parents, Staff & Community,

We are all aware of the drastic cuts being proposed for public schools across the State of Texas. The preliminary House and Senate budgets cut \$9 billion to \$10 billion from the state's investment in educating the 4.6 million children who represent its future prosperity, economic well-being and the wellspring for an educated citizenry.

While our Legislature is working hard to give schools flexibility through long overdue regulatory relief, the magnitude of the funding shortfall cannot be overstated. Should this number be cut in half, it would still mean about \$500 less per student for each of the next two school years.

Plano ISD is not immune from the effects of the state's budget shortfall and will suffer funding reductions along with all Texas districts. Based on the state budgets under consideration, Plano ISD's funding would face cuts of \$57 million to \$64 million per year.

FROM OUR PRINCIPAL BURT SMITH

Dear Shepton Staff, Students and Parents,

It is hard to believe that we have just over two months left in the spring semester. Summer break is right around the corner and the 2011-2012 school year will be here before we know it.

With TAKS coming up soon and semester exams on the horizon we are looking forward to a very busy last couple of months of school. During April and May we will have our annual multicultural assembly, spring pictures, math, science and social studies TAKS,

Stallion Stampede, 9th and 10th grade awards ceremonies, AP national exams, and multiple groups of students attending state and national level competitions. Of course, semester exams are scheduled for June 1-

6 and then summer break!

2010-2011 has been a very successful year at Shepton and we are so thankful to our wonderful parents and community for all the support they give to our staff and students.

I would like to remind everyone of a wonderful communication tool that we have available. Shepton eNews is a free service in which you can receive e-mails from the school several times each week with the school announcements and other very helpful information. You can sign up at the following website:

<http://elist.pisd.edu> or you can access the website from the main PISD webpage, www.pisd.edu.

I would also like to encourage all parents to sign up for Parent Portal. Parent Portal provides parents access to real-time student attendance records & grades (grades are updated every Monday). You can register for this free service at <http://parent.mypisd.net/> or you can access the website from the main PISD webpage, www.pisd.edu. In addition, any parent who signs up for Parent Portal will automatically be signed up for the *Mane Event*.

Families who do not have a computer to use can

receive a used one free of charge from the school district through a program called Computers@Home. You are welcome to call our campus technology assistant, Daniel Ramirez, at (469) 752-7606 regarding this program.

I hope each of you have a wonderful and successful spring!

Please feel free to contact me anytime I can be of assistance with your student's education.

Sincerely,
Burt Smith
Principal

TEXAS' NEW STUDENT ASSESSMENT PROGRAM

The 2010-2011 academic year is the last year that the Texas Education Agency (TEA) will use the Texas Assessment of Knowledge and Skills (TAKS) test for all students in grades 3-11. The next generation of student assessment in Texas is called the State of Texas Assessments of Academic Readiness (STAAR). STAAR assessments will be administered in grades 3-8 and STAAR End-Of-Course (EOC) assessments in grades 9-12.

VOLUNTEERING

CARA MENDELSON-PTSA PRESIDENT

Warm weather is here, we've just had a great Spring Break, and now the countdown is on for the number of school days before summer break. Whether you are looking back and thinking "where did the time go?" or you are ready for the excitement of Plano West that is right around the corner, let's work to make these last few weeks the best of the year!

If you wanted to volunteer at the school but time got away from you, please contact volunteers@sheptonpts.org today and we'll find a spot for you. As our kids become more and more independent, enjoy these last few chances to be part of their school life. Shepton is a great school and when you volunteer, you get to meet and interact with the wonderful staff and students and show your children that you don't just think education is important, you're willing to make it a priority! Enjoy!

FROM THE SCHOOL NURSE....

End of year items from the Shepton Clinic:

Taking unused medications home and summer immunizations:

Texas Education code 21.914 & Plano ISD policy for taking unused medication home is as follows: "It shall be the responsibility of the parent to take unused medication home. Any unused medication will be destroyed two weeks after last dosage".

Parents, please pickup your student's medication before the last day of school. If your child takes daily medication, you may want to come at the end of the last day, June 6th. Beginning 1:00, on June 6th, all remaining medication will be destroyed.

No unused medication will be sent home with a student. This includes over the counter medication.

Immunizations:

Students who need a **10 year Tetanus** booster had a letter handed to them the week of March 7th and a second letter will be mailed home on May 3rd.

Students who do not provide an updated immunization record before June 2nd, will not be allowed to pick up their 20011/12 schedule at any PISD school until documented proof of the updated immunization is received. If your student receives the immunization during the summer, please bring the vaccine record to the "clinic" table during schedule pick-up.

Thank you, and have a safe and healthy summer,

Darla Coburn, R.N.

TEACHER / STAFF APPRECIATION WEEK

VOLUNTEERS NEEDED

The Shepton PTSA is working to put together a special week to say "Thank You" to our teachers and staff for all of their hard work and dedication to our children this year. We will have a special treat each day and host a luncheon for the staff on Thursday, April 14th.

Thank you to those who have signed up already to help with this event. If you haven't signed-up but would still like to help us express our appreciation, we are in need of a few more volunteers to make this week a huge success. You can contact me at teacher@sheptonptsa.org.

We need a few folks to help coordinate the Ice Cream Sundae Social and the Breakfast Grab and Go. We have no volunteers to help with the Tuesday breakfast event and only two people for the Wednesday ice cream event. There are also a few other days we could use more people. Please take a look at the schedule below to see if you can help us make this a wonderful week for our teachers and staff.

These are the volunteer opportunities and areas we still need help :

Wednesday, April 6th - 5820 Woodwind Drive, Plano

10am-12pm assemble invitations and tag teacher/staff gift at my house (still need 1-2 people)

Monday, April 11th - Shepton main office

10am - deliver invitations to staff mail boxes

Tuesday, April 12th - Shepton Main office staff lounge

7:30am - set up breakfast Grab and Go. *boxed breakfast already arranged with caterer (still need 4-6 people) *Need 1 Coordinator to mainly meet caterer/set up food boxes and juice. 8am-9:30am- breakfast for teachers and staff

Wednesday, April 13th - Shepton cafeteria

2pm-5pm Set up/Serve ice cream at Ice Cream Sundae Social (still need 4-6 people)
*Need 1 Coordinator to mainly purchase food and coordinate volunteers

Thursday, April 14th - Shepton library

10am-2pm Set up for luncheon; Greet Teachers and Staff at catered luncheon (still need 4-6 people)

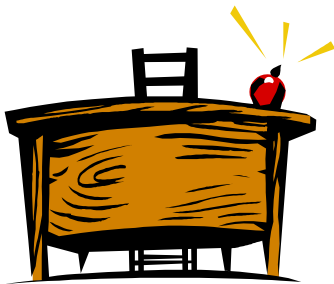

Friday, April 15th - Shepton Main Office

9:30am-11am assemble and deliver treat bags to staff mail boxes (still need 2-4 people)

Please let me know if you are available to assist with any of these activities. Teacher Appreciation Week wouldn't be successful without great people like you!!

Thank you,

Mary Kay Drury, Teacher Appreciation Week Chair

LEGISLATIVE MATTERS (CON'T)

(Continued from page 1)

Our district's annual operating budget is \$461 million, so the potential impact is devastating and will forever change the landscape of the educational program offered in our district. If we laid off every district-level administrator, every campus administrator, nurse, counselor, librarian, educational diagnostician and every instructional aide, we still wouldn't reach the \$57 million mark.

Plano ISD's plan for both short and long term

So what is the district's plan for moving forward? It begins with maintaining a sense of perspective that it is still early in the legislative session. Our state leaders have the ability to limit the cuts to education. Using the Rainy Day Fund to pay for the current state deficit would free over \$4 billion for the next biennium.

The legislature has additional means it has used in past deficit situations to help mitigate the severity of these reductions. Nevertheless, Plano ISD will face a significant reduction in state funding, which means a reduction in the net amount of local tax dollars it is allowed to keep.

Our plan starts with spending less and planning very carefully for the biennium. Reducing the budget overall and also planning for the possibility of additional tax revenue completes the long-range scope.

We have currently targeted \$25 million of reductions in expenditures for 2011-12, and we plan to use our local fund balance to offset the remaining shortfall. In the second year of the biennium, we will implement more reductions and take action on the potential need for a local tax rate election pending the outcome of the legislative session. Unless the state uses other revenue sources such as the Rainy Day Fund to offset the initially forecasted funding reductions to Plano ISD of approximately \$60 million, a tax rate election will be unavoidable.

We cannot lay off enough personnel (whether non-instructional or instructional) to meet the amount of cuts required and remotely resemble the services, programs and schools that currently meet our community's expectations.

Our Board of Trustees had the foresight to build our district's financial reserves in anticipation of this time. The state's decision in 2005 to lower school property taxes from \$1.50 to \$1 and only partially replace the revenue made this day inevitable.

While not a permanent solution, the district's reserves can help provide the time to be thoughtful and wise in how the district strengthens its commitment to academic excellence in the face of diminished resources by the state. These financial re-

(Continued on page 11)

(Continued from page 10)

serves are a transitional bridge to supplement budgets in a time of uncertain revenue sources.

Ultimately, the district cannot escape the reality that the salaries and benefits of its employees are the major drivers of the budget. Schools, as places where children are educated and cared for, are people intensive. While teachers are the heart of educating children, there are many hands that help them in their work. It is important to note that ninety percent of the district's payroll cost is at the campus level focused on student learning.

How to make your voice heard

In closing, there is strong reason for concern, and there is no doubt that funding will be reduced significantly. As a taxpayer of our district, you have made a remarkable commitment to educating its children and all children across the state by making Plano ISD your community of choice.

This year will see our district pass the \$1.3 billion mark in the 18 years of the recapture since 1993. It is important that our legislators and state leaders know your beliefs, values and priorities for our children and children across the state as they develop the state budget for the next two years.

It is important that they hear from you as parents, taxpayers and citizens on the use of the Rainy Day Fund and the role you believe it has in mitigating the effects of a \$10 billion cut to K-12 education.

We are appreciative of Senator Florence Shapiro's efforts to supplement the state's funding levels in order to cut the shortfall in half. Her current proposed plan does utilize the Rainy Day Fund and other reductions which will place approximately \$6 billion back into the school finance system and potentially minimize local funding reductions to Plano ISD.

Governor Rick Perry's recent announcement supporting the use of the Rainy Day Fund up to \$3.2 billion relieves the financial pressures in the current year. However, this will not be enough when allocated to local districts such as Plano ISD to cover the shortfalls in the next biennium and is woefully short of the current Senate plan.

Sincerely,
Dr. Doug Otto
Superintendent of Schools

COUNSELOR NEWS

The Counselors are in the midst of Academic Conferences for 10th grade students. Each student and their parents are invited to an individual meeting to discuss transcripts, four year plans, eleventh grade courses, and college/career planning. These conferences continue throughout the semester and parents will be notified by a yellow conference card mailed home.

March **TAKS** testing is completed. The next round of **TAKS** is scheduled for the week of April 25. Please do not schedule appointments on the following days:

Tuesday, April 26- 10th Grade Math

Thursday, April 28 – 9th Grade Math, 10th Grade Science

Friday, April 29– 10th Grade Social Studies

Advanced Placement Testing for European History is Friday, May 6, World History is Thursday, May 12, and Human Geography is Friday, May 13.

Be on the lookout for a confirmation of student course selections for next year. You should receive a letter in the mail in the first of May. Please make any changes needed upon the receiving that notice. Changes to schedules for next year may be made until June 6.

Summer school applications are available in the counseling office. The 1st session is June 13- June 30. The second session is July 5-July 22. Pre-registration begins March 21 and ends on May 20. Students are allowed to take one class at a time from 8:00 until 1:30 each day. Classes will be offered at Plano West Senior and Plano East Senior High. Get those applications in early.

Please be aware of the credits needed for promotion. A student needs 6 credits at the end of the year, including English 1, to be classified as a sophomore. To be promoted to Plano West, the requirement is 13 credits, including English 1, English 2, Algebra 1, Biology, Geometry, and 1 Social Studies credit. If you have any concerns about credit issues, please contact the Counseling Office.
